Centenary HQ Project Update

The Great Amwell Scout Group is very pleased to announce that it has managed to raise a staggering £150,000 towards the construction of a new Head Quarters.

This has been made possible thanks to a very generous and substantial personal donation from Cllr Nigel Copping.

The executive committee will meet later this month to finalise the logistics of the building work and the effective running of the 3 existing sections - Beavers, Cubs & Scouts.

If all goes according to plan, the Group is looking to complete the building works in time to celebrate the 100 years of Scouting on 1st August 2007.

A big thank you to all those who donated money, helped with fundraising and supported the group in achieving this fantastic sum.

The Group still needs to raise a further £20,000 to complete car parking, external lighting, security and landscaping which is a condition of the planning consent.

If you can donate money, a skill, or supply materials please contact - Steve Deadman on 01920 466223

We are also looking for new leaders and if you prefer to get involved this way please contact Colin Haywood on 01920 466976 or Gail Stretch on 01920 465918. Thank You.
